RESPONSE

Sir:

In response to the Office Action mailed October 7, 2005 for the above-identified application, amendments and/or remarks submitted herewith include:

- Remarks.

REMARKS/ARGUMENTS

Applicant thanks the Examiner for noting the issue with the claim of priority in this application. In response to the Examiner's one month deadline to remedy the issues resulting from the previously-filed Information Disclosure Statement, Applicant has submitted concurrently herewith a Response to the USPTO Regarding a Request for Corrected Filing Receipt with Submission of Supplemental Application Data Sheet. As this request will correct the priority reference, the indicated IDS references will have been presented and cited in a parent application, addressing the Examiner's concern.

As this Response is being filed within one month of the October 7, 2005 mailing date as requested by the Examiner, Applicant does not believe that any additional fees are necessary. In the event, however, any fees are necessary, authorization is given herein to charge any deficient fees, or to credit any overpayments, to Deposit Account No. 503-121.

Should any issues remain unresolved, the Examiner is encouraged to contact the undersigned attorney for Applicant at the telephone number indicated below in order to expeditiously resolve any remaining issues.

Respectfully submitted,

MAYER BROWN ROWE & MAW LLP

**RESPONSE TO USPTO REGARDING REQUEST FOR CORRECTED FILING RECEIPT
WITH SUBMISSION OF SUPPLEMENTAL APPLICATION DATA SHEET**

Sir:

In response to the Response to Request for Corrected Official Filing Receipt dated February 24, 2005 from the U.S. Patent & Trademark Office, Applicant respectfully submits herewith a Supplemental Application Data Sheet which amends the cross-reference to the related U.S. patents/patent applications for the above-identified pending application.

Applicant respectfully requests:

- 1) the entry of the amended information contained in the Supplemental Application Data Sheet;
- 2) the issuance of a corrected Official Filing Receipt reflecting the continuity included in the Supplemental Application Data Sheet; and
- 3) grant of our request for priority, filed on December 31, 2003 in our original Application Data Sheet as reflected in the Supplemental Application Data Sheet, which met the requirements of 35 U.S.C. § 120 and 37 C.F.R. § 1.78(a)(2)(i).

Applicants do not believe that any fees are required to supplement the Application Data Sheet and that no Petition under 37 C.F.R. § 1.78 (a)(3) is required.

However, should a Petition under 37 C.F.R. § 1.78 (a)(3) be deemed necessary, please consider this a Petition under 37 C.F.R. § 1.78 (a)(3) and charge the surcharge under 37 C.F.R. § 1.17(t), as any delay between the date the claim was due under 37 C.F.R. 1.78 (a)(ii) and the date of this filing was unintentional.

In the event that any fees are necessary to complete this request, authorization is given herein to charge any deficient fees, or to further credit any overpayments, to Deposit Account No. 503-121 in order to maintain and amend the continuity information of this application.

Any questions regarding this Response may be directed to the undersigned attorney of record at the telephone number shown below.

Respectfully Submitted,
